Introduction

What's New

Section 1. Policy

- 1.1 Rationale and policy context
- 1.2 South-South and triangular cooperation definitions, principles, objectives and criteria
 - 1.2.1 What are South-South cooperation and triangular cooperation?
 - 1.2.2 What are the principles of South-South cooperation?
 - 1.2.3 What are the principles of triangular cooperation?
 - 1.2.4 What are the comparative advantages of South-South cooperation and triangular cooperation?
 - 1.2.5 What are the objectives of UN development system support for South-South and triangular cooperation?
 - 1.2.6 How does the UN development system help to achieve national objectives through South-South and triangular cooperation at the country level?
 - 1.2.7 How do you determine if South-South cooperation or triangular cooperation is the more suitable modality for meeting a country's specific development challenge(s) and/or accelerating development results at the country level?
 - 1.2.8 Is there a risk analysis tool that UNCTs can use when considering the use of South-South cooperation or triangular cooperation?

Section 2. Practice

- 2.1 Overview
- 2.2 Roadmap for the UNSDCF process
- 2.3 Common country analysis (CCA): country analysis, capacity analysis and partnerships mapping
 - 2.3.1 Common country analysis
 - 2.3.2 South-South and triangular cooperation capacity analysis
 - 2.3.3 South-South cooperation and triangular cooperation partnerships
- 2.4 Programming: United Nations Sustainable Development Cooperation Framework (UNSDCF) and strategic planning
 - 2.4.1 Determining solutions relating to South-South and triangular cooperation for the UNSDCF results framework

2.4.2 Catalytic actions and criteria

2.5 United Nations country team (UNCT) configuration

Section 3. Integrating South-South and triangular cooperation at Regional level

3.1 Regional context

3.2 South-South and triangular cooperation at the regional level

3.3. South-South and triangular cooperation programming at the regional level

3.3.1 Regional collaborative platforms (RCPs)

3.3.2 Regional commissions

3.3.3 Configuration of regional teams

Section 4. Knowledge and tools

4.1 South-South and triangular cooperation knowledge sources and networks

4.1.1 Digital South-South and triangular cooperation platforms and hubs

4.1.2 Knowledge networks hosted by the UN development system and partners

4.2 Good practices in integrating South-South and triangular cooperation into the CCA and UNSDCF processes

4.3 Toolbox

4.4 Global and regional support

4.4.1 UNOSSC support

4.4.2 DCO support

4.4.3 Regional support

Section 5. Partnerships and financing for South-South and triangular cooperation

5.1 South-South and triangular cooperation partnerships

5.2 South-South and triangular cooperation funding options

5.2.1 South-South cooperation funding mechanisms

5.2.2 Triangular and multilateral funding mechanisms

5.2.3 Role of UNOSSC and other UN entities in facilitating access to funding mechanisms

Section 6. South-South and triangular cooperation monitoring

6.1 Monitoring, reporting and evaluation at country level

- 6.1.1 Final country-level evaluations of South-South and triangular cooperation Initiatives
- 6.2 Monitoring and reporting at regional level

Annexes

- I. Abbreviations and acronyms
- II. Checklists
- III. Action plan for implementation of the UN system-wide strategy on South-South and triangular cooperation
- IV. List of priority indicators to track progress in the implementation of the UN system-wide strategy on South-South and triangular cooperation for sustainable development

Checklists

1. Positioning South-South cooperation and triangular cooperation in the road map for the UNSDCF process
2. Milestones of the CCA
3. Guiding questions on South-South and triangular cooperation for the CCA
4. Guiding questions for assessing capacities to engage in South-South cooperation and/or triangular cooperation
5. Guiding questions to identify potential South-South cooperation and triangular cooperation partners and stakeholders at the country level
6. Milestones in designing the UNSDCF
7. Milestones in UNSDCF implementation, monitoring and learning and integration of South-South and triangular cooperation in UN entity-specific country programmes
8. Catalytic actions and criteria to determine South-South and triangular cooperation outcomes at the country level
9. Milestones of the UNCT configuration exercise
10. Guiding questions to assess the UNCT configuration for capacities needed for South-South and triangular cooperation
11. Integrating South-South and triangular cooperation into CCAs and UNSDCFs: Suggested quality-assurance questions
12. Proposed steps for positioning South-South and triangular cooperation in RCP processes
13. Positioning South-South cooperation and triangular cooperation in Development Account projects: Guiding questions
14. Guiding questions to assess the RCP configuration for capacities needed for South-South and triangular cooperation
15. Milestones in designing the UNSCDF funding framework
16. Guiding questions to identify potential South-South and triangular cooperation partners and stakeholders at the regional level

Tables

1. Guiding principles of South-South cooperation

2. List of issue-based coalitions, by region (as of July 2022)
3. Examples of good practices in integrating South-South cooperation and triangular cooperation into the CCA and the UNSDCF
4. South-South cooperation and triangular cooperation policy, practice and knowledge portals.
5. Indicators from the action plan for implementation of the UN system-wide strategy on South-South and triangular cooperation for sustainable development and recommended action at country-level

Boxes

1. Priority objectives of UN support to South-South and triangular cooperation
2. National stocktaking exercise on trends and opportunities for South-South and triangular cooperation
3. Linking regional expertise to UNCT needs
4. Example of ECE participation in the UNSDCF
5. UN multi-country Sustainable Development Cooperation Framework
6. Regional Conference on South-South Cooperation in Latin America and the Caribbean
7. Asia-Pacific Directors General Forum on South-South and Triangular Cooperation (DG Forum)
8. Supporting countries' regional integration efforts
9. South-South and triangular cooperation and the ECE
10. UNFPA corporate strategy on South-South and triangular cooperation
11. Example of successful South-South and triangular cooperation capacity-building activities in a regional office of a UN entity
12. Examples of existing South-South cooperation portals established by UN entities
13. Sources of additional information on support by regional commissions to South-South and triangular cooperation
14. Partnerships for South-South cooperation, triangular cooperation and infrastructure Development
15. South-South trust funds managed by UNOSSC
16. South-South and triangular cooperation trust funds managed by other UN entities and Member States
17. Trust funds managed by UN entities and Member States with a South-South and/or a triangular cooperation component
18. South-South trust funds managed by other partners
19. Sources of funding for triangular cooperation
20. Southern financing institutions

Figures

1. UN support for South-South and triangular cooperation at the country level
2. Assessment of national capacities with a view to engaging in South-South and triangular cooperation
3. Regional collaborative platforms: 13 key functions
4. RCP Structure

5. South-South Galaxy
6. Knowledge-sharing and partnership-brokering
7. South-South and triangular cooperation funding opportunities
